

Look at the financial condition

Choose land near to the river banks

Financial

Thinks

insecurity

Price of the crops may Vary

Need some agricultural equipment to dojob properly

Buying your own land

Doubts regarding the soil whether it is suitable for the crops

Cost a lot to get started

Selecting good quality manures

> Preparing the land before doing agriculture

Feels to change the crops from the usual one for

more profit

Helpless and frustrated

Buying some modern equipment

> Removing weeds

Costs high for fertilizers, seeds

whether it gives profit orloss
